Mobile Phones at MNCC

Dear Parents & Caregivers

It is our goal to provide a safe and productive learning environment for your children, for this reason we are requesting that you return the attached slip to inform us whether your child will be bringing a mobile phone to school. Students that are bringing a mobile phone to school will be required to hand it in during morning Home Group for safe storage in the Library, to be collected again during end of the day Home Group.

Please return the below section of the form.

Students that are found using their mobile at school will have their phone confiscated and a parent or guardian will be required to collect it from College Leadership. We appreciate your support in this matter.

Yours sincerely
