Dear Parents and Caregivers

It is hard to believe that it is already the end of Term 1. We have had a fantastic start to the year with a number of special events, like Open Day, hockey clinics, and some camps and excursions already over. Even NAPLAN is completed for another year.

We do want to thank Mr Jake Jaensch for teaching Year 6 this term and pray that God will continue to guide his path as he returns to Adelaide. We also want to welcome Kieran Phillips as he has joined the Learning Support team and Mrs Janae Nieass as she returns to the Promotions and Marketing role. We also welcome Mrs Jess Tranter to the Administration team on a casual basis.

There are lots of learning opportunities and community events coming up in Term 2 and below are some of the key ones to put on your calendar. We are so thankful to God for His provision and guidance as we started the year. We look forward to all that He is going to do in our College in the rest of the year. I pray that you and your family have a safe and relaxing time over the holidays, and we look forward to seeing everyone back in a couple of weeks.

There are some exciting things coming up in Term 2:

- Athletics Day - 5 May
- National Simultaneous Storytime – 24 May
- Reconciliation and NAIDOC weeks – Weeks 5 and 10
- Grandparents and Grandfriends' Day – 16 June
- Camps and excursions for a number of Year levels

Kind regards,

**Rachel Richardson**  
**Principal**

## SACSA

On Tuesday, a group of students travelled to SA Athletics Stadium in Adelaide. We participated in an Athletics Carnival against other Christian schools in SA (SACSA). The students performed with great spirit and effort, showcasing their talent. This led to the following results:

Third overall in our division in the Championship Trophy (highest number of points awarded on the day).

Second overall in our division in the Challenge Shield (number of points divided by students enrolled in their school in Year 7-12).

We also had three students break SACSA records in our division:

Open Girls 100m - Clarissa Wilkin (14.37s)

Under 14 Girls High Jump - Chloe Unger (1m35cm)

Under 14 Girls Javelin - Torrie Wilkin

## MATHS RESULTS

It's been a wonderful term of growth for our Year 6-10 Maths students. Many have been consistently growing at a rate of more than 200%! If they keep this up they will master more than 2 years of Maths curriculum this year. Well done to these students for their excellent results in our most recent Learning Cycle #4!
