9 JUNE 2023

*"Remember your leaders, those who spoke to you the Word of God.  
Consider the outcome of their way of life and imitate their faith."*

Hebrews 13:7

Dear Parents & Caregivers

As we come to celebrate Grandparents/Grandfriends Day next week, it is a wonderful opportunity to acknowledge the influence of these people in our lives. I was blessed to have known all my grandparents, including two great-grandparents. They taught me so much over the years. Both my grandmothers taught me to love God's word and the importance of worship and prayer in my everyday life. One grandfather I didn't have as much time with, but he taught me to love history, and that God is the restorer of relationships. My other grandfather taught me to work hard, but to remember that family and faith are even more important.

I have also been very blessed over the years by "grandfriends". These are the older people that have had significant influence in my life, especially when I lived in different parts of the world and this country. I will never forget my first week living in Swan Hill, Victoria, when our neighbours across the road invited my husband and I to have tea so they could welcome us to the town. We have been close friends ever since. Another lady in the town also had coffee with me once a month just to check that I was okay and find out how she could support me in prayer. You can never have too many "grandfriends"!

I hope that during the coming week, we can remember, and where possible, thank those who have played a special role in our lives. It may not have been your grandparents, but it may have been some other special people that God put in your life to encourage and love you. If you are a grandparent, or a grandfriend, don't underestimate the influence and importance you have in the life of a young person. We thank God for you!

Kind regards,

**Rachel Richardson**  
Principal

### Uniform Update

Please note that we have made a minor change to the PE Uniform for all students. Students may wear College Track Pants or College Shorts on PE days in any term.

Please ensure that students are wearing the correct socks with each uniform. College navy socks go with the Formal Winter Uniform and the College white/navy striped socks go with the PE uniform.

# NOTICES

## YEAR 9/10 STATEWIDE NETBALL

The Year 9/10 girls, along with a few Year 8's participated in the School Sport Knockout Netball Competition in Week 5, held in Port Pirie.

The girls played Gladstone, Jamestown, Booleroo Centre, and Quorn. The games were tough but they worked hard to give it a go and improved with each and every game. We were unable to secure a win but came close against Jamestown, losing only 21-18.

## RECONCILIATION WEEK

## UGANDAN FUNDRAISER - ATHLETICS DAY

MNCC Mission Connect Group would like to thank all those who supplied baked goods, volunteered their time and bought goods at our Ugandan fundraising stall on Athletics Day. A total of \$1,100 was raised and donated to the Gershipon Christian School in Kampala. The money was able to pay teachers' wages and provided lunch to all of the High School students for a number of days.
