### 4 AUGUST 2023

Dear Parents & Caregivers

Over the holidays, I had the privilege of travelling to Adelaide to see the light displays in the city and in the Botanical Gardens. They were incredible! There was so much creativity with light and sound, interacting with both buildings and plants. Without the lights, there would have been darkness and I would have been wandering around Adelaide in quite a scary and even dangerous situation. Instead, I saw Adelaide from a whole new perspective.

Life can be like that too. We don't know what might be around or ahead of us, and it can seem quite scary, overwhelming, or depressing. There is a solution to this though. Jesus said in John 8:12, "I am the light of the world. Whoever follows me will not walk in darkness but will have the light of life." This is a wonderful promise that is available to anyone who follows Jesus. There is no need to walk around afraid, anxious and overwhelmed. When Jesus gives light, He gives hope and meaning, even when things are difficult. It gives life a whole new perspective. Look to Jesus today – the light of the world!

Kind regards,

**Rachel Richardson**  
**Principal**

### Ready for School Program

Our new Foundation students for 2024 started their first morning of the program this week. We look forward to getting to know them better in the weeks ahead.

### Science Week

The Science team are preparing for another amazing Science week. This year's theme is – Innovation: Powering Future Industries. We are going to have Year 6 students from Harvest Christian College join our Year 6 students for a morning of Science on Tuesday, 15 August. Then, we are looking forward to our Family Science Night. You should have received a letter about this, with a slip to be returned for catering purposes by Monday, 14 August. Below are the details of the evening.

**When:** Thursday, 17 August at 5pm

**Where:** Language Centre

**What:** Free Barbeque and Biscuits from 5:00 - 5:45pm followed by the Science Challenge "Rubber Band Powered Cars"

### Staffing Update

We are looking forward to having Mr Ben McQueen join the teaching team on Mondays, Tuesdays and Wednesdays for the remainder of the year, starting on Monday, 7 August. He will be teaching mostly Year 6 English and some PE and Health in other grades. We are thankful that he can join us at MNCC.

# COMMUNITY NOTICES

## ACKNOWLEDGEMENTS

Year 11 student Adam has been selected to attend the second trial for the Under 18's SA Country Basketball squad. Well done and all the best, Adam!
