15 SEPTEMBER 2023

Dear Parents & Caregivers

Spring has Sprung!

Well, it has certainly been spring weather in the past week – a heatwave one day and cold, wet and stormy the next! We are aware that a lot of staff, students and families have been and are still struggling with health at this time. We would encourage everyone to get rest as we do our best to finish Term 3 well. I am praying that God helps everyone recover quickly.

It has been fantastic to hear snippets about the Ski/Canberra trip and thankful to God that everyone made it back safely, even though some are still recovering from fatigue and sickness. The reports I have had from the students is that it was a great experience, with many enjoying not only the skiing experience, but also the visit to Canberra. From the serious things like Parliament and the War Memorial to having fun on the playground at the National Arboretum, it sounds like amazing memories have been made. Thank you to our amazing staff – Mr Pop, Mr Smith, Mrs Simmons and Mrs Moreton, along with Mr Richardson, for your dedication and commitment to make it an awesome experience for the students.

There is a verse in the Bible that says,
"For everything there is a season and a time for every matter under heaven."
Ecclesiastes 3:1

There are times for camps and there are times for work in classrooms.
There are times for learning and times for assessment.
There are times for work and a time for rest.

Let's keep going strong as we come to the end of Term 3.

Rachel Richardson
Principal

No matter how
long the winter,
spring is sure to
follow.

ARID LANDS EXCURSION

On the Friday, September 1 the Year 2 class went on an excursion to the Australian Arid Lands Botanic Garden in Port Augusta.

The students went on a tour of the gardens and enjoyed learning about the native plants. They then propagated plants to bring back to the College, participated in a scavenger hunt and played in the nature garden.

"I liked seeing the lizards" – Hudson

"I enjoyed planting the plants" – Kyra

"I liked finding things on the scavenger hunt" – Meaha

SPONGEBOB THE MUSICAL

In Week 6, fifteen of MNCC's talented students brought Bikini Bottom to life with Port Pirie Youth Theatre's production of The SpongeBob musical!

As pictured, we have Jeremy, Lacey, Mercedes, Charlotte, and Chloe who filled many roles within the production including hip hop dancers and rock stars!

Amber and Sarah were featured as the Sardine followers of one of the lead roles, Patrick Star, played by Rex. You might recognise Eve as one of the top-notch security guards who kept a close eye on Patchy the Pirate, played by Drazic!

Lucas, Thomas, and Hannah each rose to the challenge of playing tough roles this year as Larry the Lobster, Old Man Jenkins, and Pearl Krabs! And finally, Neesa finished off her last performance with the Port Pirie Youth Theatre with a powerful performance as Sandy Cheeks!

We are all so proud of our amazing students who have sacrificed many hours of time, sweat, and a few tears to bring such an incredible show to Port Pirie!

Kieran Phillips
SSO & Stage-hand for Youth Theatre

DEVELOPING LEADERS

Four weeks ago, our Heads of School, Monique Eggers and Jordan Smith, went interstate to attend the Christian Education National Developing Leaders Conference.

They had opportunity to further advance their knowledge and skills as leaders, as well as networking with other leaders in Christian Education across Australia.

We are so grateful for their willingness to lead their respective areas and continue to lead the way as ongoing learners. This is a photo of all the representatives from South Australia at the conference.

CANBERRA & SKI TRIP

On the September 3, the Year 10, 11 & 12 students left MNCC by coach on our very first Ski/Canberra Trip!

The journey to Perisher was long, but definitely worth the trip as we were invited to ski slopes full of snow! We spent 3 days skiing and snowboarding, learning from professional instructors how to ride the snowy slopes. A highlight was the snow that fell on the second day.

After the third day of the snow, we travelled to Canberra to see the many famous sites that it has to offer.

Some of the places we visited was the Parliament House, Australian War Memorial, Australian Botanical Gardens, National Museum, Questacon and National Arboretum.

Overall, it was an amazing opportunity to experience so much in one week!
