Week 6

PERSISTENT • SERVANT-HEARTED • FAITHFUL • GRATEFUL

24 NOVEMBER 2023

Dear Parents and Guardians,

Next week, our Primary students will be performing a mini musical called "Away in a Mango". This is a story that reminds us again that the celebration of Christmas is not just a time of family get-togethers, traditions, presents, lights, songs and food, as great all those things are. This is a celebration of God sending His Son, Jesus, to Earth in human form to live among us, and later to die to pay the price for our sin and rebellion. He then came back to life to demonstrate His power over death. As John 3:16 says, *"For God so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life."*

As you watch the story unfold, our hope is that this performance reminds you of God's great love for every person. This story is about a rescue, not just of those stuck on a deserted island, but of God's rescue plan for each of us.

When: Wednesday 29 November at 7:30PM

Where: Keith Michell Theatre, Port Pirie

Tickets: Adults : \$11

Children Aged 13-17 : \$5.50

Children under 12 : Free

Please note there is an additional booking fee
upon purchasing tickets.

We are excited to announce that Jess Tranter and Lisa Church will be covering the very important role of Student Services Officer in 2024. They will work closely with Tina Moreton in the coming weeks to ensure a smooth transition into the new year. We are excited to have these wonderful ladies join the team again in a different capacity. Lisa will also be running the Mid North Minis Playgroup in 2024.

Also, Josiah Bacher who has been teaching with us for the past two years in a part-time capacity and will be moving to teach at Horizon Christian School Clare campus next year. We are very thankful for his contribution in the areas of Maths and Science in his time with us.

Although there is some movement in staffing, we are very blessed to have several of our current staff who will be increasing their hours or changing roles next year to assist in providing a range of subjects and quality education for our students.

SPORTS STRATEGY EXCURSION

On Friday 10 November, we took our Year 9/10 Sports Strategy class to Harvest Christian College in Kadina. We played Harvest in a match of Rugby Tag and played really well, getting the victory over our opponents. Unfortunately Harvest's more experienced basketball players led to a win for them against us in the basketball but the team still performed quite well.

The day was a great chance to put into practice what we have been learning in class and a great chance to build community with Harvest. Thank you to Harvest for hosting us as well as providing the BBQ and Mr Howe for attending the day.
